

# PRO CLEANER 3 IN 1

Cleans, neutralizes and refreshes

Granuflex PRO CLEANER 3 IN 1 is a cleaner for daily use. The active odor neutralizer is supported by a range of harmless micro organisms and provides an optimal cleaning result. Permanently removes unpleasant odors and has a refreshing effect. The unique bacterial action of the product also works between cleanups. It ensures that even after cleaning pollution is reduced to the minimum. This product fits into any environmental and safety protocol due to the lack of P- and H-phrases.

#### Application:

Granuflex PRO CLEANER 3 IN 1 is suitable as a powerful cleaner for floors, indoors and outdoors.

Granuflex PRO CLEANER 3 IN 1 is in use dilution completely safe for humans, animals and materials. Constructed from the safest possible materials which protect the environment and the user.

#### Dosage:

Depending on the pollution 1 to 3 dosing pumps or 20 to 60 ml per 10 litres of water. In case of extreme pollution use a single peak dose. Shake before use.

Safety data sheet for professional users and the datasheet for medical personnel is available on request. Granuband b.v. • Siciliëweg 20 • 1045 AS Amsterdam.
