

Instinct Strength is a full line of intuitive machines, benches and racks with easy adjustments, offering users a quick and complete workout. Perfectly suited to be a basic strength line or circuit system, Instinct effectively complements more specialized lines. The versatility of Instinct's small footprint also lets you get the most from minimal space and is offered in both single and dual function units to meet the needs of any space or facility.

### LOCK N LOAD® WEIGHT SELECTION

Selecting a weight with the intuitive Lock N Load design is as easy as flicking a switch. Universally color coded switches engage and disengage the weight via an internal pin, providing a safer, more durable and maintenance free operation. Lock N Load prevents unnecessary maintenance headaches since there are no pins to lose or replace.

### DUAL USE MACHINES

The versatile dual purpose machines from Nautilus Instinct have a modest footprint and allow you to switch between two different exercises with a simple adjustment. This is ideal for smaller facilities, giving them the ability to fit a full fitness circuit in a much smaller space.
