

NAUTILUS® MULTI-STATIONS

Each of our multi-stations have the smallest possible footprint, while combining the most essential elements from our strength lines. Add in great features like swiveling pulleys on the Lat Pull Down, Low Row and Triceps Press and fully adjustable pulleys on the Cable Crossover System, and you have an economical, space-saving equipment solution that doesn't look, feel or train like one.

| SHIPPING WEIGHT | 6010 LBS (2726 KG) |

LOCK N LOAD® WEIGHT SELECTION

Selecting a weight with the intuitive Lock N Load design is as easy as flicking a switch. Universally color coded switches engage and disengage the weight via an internal pin, providing a safer, more durable and maintenance free operation. Lock N Load prevents unnecessary maintenance headaches since there are no pins to lose or replace.

PRODUCT CUSTOMIZATION

We know what it takes to build an authentic, meaningful brand experience. Our customization program is the perfect way to leverage your personal brand and make a strong first impression. Get Nautilus multi-stations with in a variety of custom frame color and upholstery options.
